Welcome home! This single story, bungalow style home is energy efficient as well as beautiful. Set on a sloped lot with a deep, full-length front porch that's great for sitting and chatting with neighbors and family on warm days, this home has it all. Relax in warm comfort through the cold winter nights thanks to the energy efficient heat pump system. Unwind after a long day in the Master suite which features a large walk-in closet and a separate master linen closet.

The breakfast bar allows lots of natural light to flow into the kitchen, let's you interact with family/guests while preparing meals, and provides a great spot for casual eating or serving. Bringing groceries in will be a breeze thanks to the side entry to the kitchen located off the driveway. Spend warmer evenings relaxing while sitting out on the porch and chatting with neighbors and family.

A wonderful part of the Ole Asheboro area revitalization, this home offers a short commute for a buyer working at one of the local colleges or downtown, and has quick access to I-40, I-85, I-29, and Hwy 421.
